

Make A Difference in a Student's Life

Become a speaker, a tutor, or a mentor

SPEAKERS : Encourage students to believe in themselves and achieve at very high levels in life.

TUTORS: Help students improve in a variety of academic areas.

MENTORS: Provide positive resources for students and give guidance in personal development.

STARS (Speakers, Tutors, Achievement, Retention, and Success) is a Job Corps initiative designed to increase student retention, student achievement, and Job Corps completion.

Job Corps is the nation's largest residential educational and vocational training program for economically disadvantaged youth ages 16-24.
